

Hillingdon
Volunteer Police Cadets
User Guide

Version 1 - 14th September 2020

Introduction

HSC's management Team has been working closely with our hirers in conjunction with NGB / Government guidelines. By working together we aim to ensure a smooth and safety return for each sport / activity.

This document has been established to ensure our bookings can meet the requirements of both NGB's guidance as well as our own user guides and risk assessments. This document is specific to your booking and is an addition to all our published Risk Assessment and User Guides.

Please note this is a live document and will be updated in line with government/NGB announcements are released.

If you have any questions please feel free to get in contact.
